Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Riverside Water Conveyance, Water Treatment and Wastewater Facility Design Project in fiscal year 2023.

The entity to receive funding for this project is Santa Clara Pueblo, located at P.O. Box 580 Espanola, NM 87532.

The funding would be used to design a new water conveyance, water treatment and wastewater facility. This project will help provide clean drinking water to tribal properties and landowners.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Teresa Leger Fernández
Member of Congress
